Spring 2025

Message from the President!

Hello Friends,

As we welcome the warmth and renewal of spring, I hope this season brings you fresh ideas and renewed energy. Spring is the perfect time for growth, both personally and professionally, and I'm excited about what's ahead for our chapter in the coming months.

Our membership is the heart of our chapter, and your involvement plays a vital role in our success. We can expand our community by inviting new members to join and engaging in the events and activities that help us strengthen our professional network. Together, we can continue to build a supportive and dynamic environment that benefits us all, both personally and professionally.

On that note, please mark your calendar for our upcoming Race into May with the Indiana ALA Pop-up lunch on May 15th hosted by Bose McKinney & Evans. We will focus on member recruiting, networking & idea exchange. We will be sending a reminder invitation with details later this month.

Our Connections, Brews & Sunshine social event is happening on June 11th, 4-6p, at Tavern on South. Our annual social event is a great membership event to connect, exchange ideas, and enjoy time with colleagues and our valued business partners. Stay tuned for more details on location and RSVP information.

Wishing you a wonderful spring season ahead!
